Dear Quy Vuong:

We write in response to the Commission's letter dated July 10, 2014, regarding the May Monthly Report filed by Democrats Win Seats (DWS PAC) ("the Committee").

Regarding the disclosure of earmarked contributions on Schedule A, the contributions referenced by your letter are itemized on Schedule B of the Committee's June Monthly Report, and hence no amendment is necessary.

Regarding the disclosure of earmarked contributions on Schedule B, your letter references a \$2,000 memo entry disbursement that was incorrectly added to the report through a database error. The Committee is amending its report to remove it. If you have further questions, please contact the Committee.

Sincerely,

Vickie L. Winpisinger
Treasurer
